To Whom it May Concern:

I am writing to recommend Mr. Larry Leuenberger. We hired Mr. Leuenberger from a number of qualified applicants on the United Nations Online Volunteering Site. He supported Play for Peace as a pro-bono Graphic and Web Designer for over six months in 2013. He designed the front and back cover of our first published book as well as our website (www.playforpeace.org). During Mr. Leuenberger's time with us, he proved his skills, dedication and commitment to offering excellent work over and over again.

Play for Peace is a 501(c) (3) non-profit organization and a global learning community dedicated to bringing children, youth and organizations together using cooperative play to create laughter, compassion and peace. We focus on communities that seek unification, cooperation and violence or bullying prevention.

I highly recommend Mr. Leuenberger as a professional who will put you first. If you have questions, feel free to contact us.

Thank you very much!

Sincerely,
